IMAPS AGREEMENT FOR TRANSFER OF COPYRIGHT

The International Microelectronics And Packaging Society (IMAPS) is a nonprofit professional society dedicated to the advancement of nonmonolithic microelectronics. The Society's primary objective is to provide a forum for the dissemination of knowledge within the field of microelectronics and to serve as a common denominator for the diverse scientific and engineering disciplines upon which the microelectronics industry is based.

Author's submitting papers for review and publication must complete this form and send it with the manuscript. Please print this form then submit the completed form to IMAPS by e-mail (ifc@imaps.cz). If the submitted paper has been prepared as a "work for hire" for an employer, this form must be signed by the employer.

Copyright to the following article:

Title: _____

Author(s): _____

Is hereby transferred to the International Microelectronics And Packaging Society (IMAPS), effective on the date the manuscript is accepted by IMAPS for printing in any of its publications. For authors who are employees of the U.S. Government, its contractors, or grantees, IMAPS recognizes the right of the U.S. Government to retain a nonexclusive, royalty-free license to use the author's copyrighted manuscript for U.S. Government purposes.

I, the author, confirm that this paper has not been published or submitted for publication in any other printed mediums. I have read and understand the IMAPS policy for reprints of Symposia papers that follows:

Publications which disseminate microelectronic technology may reprint papers delivered at the Annual Symposium provided that all of the following criteria are met:

- No paper may be published within 90 days following the Symposium in which it was presented.
- The maximum number of papers from a single Symposium reprinted by a publication (in various issues) is six (6).
- The maximum number of papers from a single Symposium reprinted in a single publication issue is two (2).
- Prior copyright authorization is obtained from the Manager, Technical Programs.
